

**Be part of the fastest growing business organization in our community!**

An investment in the Coweta Chamber of Commerce is an investment in the future of your business & your community.

The Coweta Chamber is an organization of businesses & people who pool their time, talent, & financial resources to build a better Coweta through progress & projects that increase employment, profit, & opportunities. We strive to maintain & enhance the quality of life for all who call Coweta home.

It is not a governmental agency, but it is supported largely by membership investments of the business, professional & non-profit community. It is not an organization that represents any one segment of business however, we work to enhance growth opportunities of both small & large firms in the entire Coweta area.

The marketing benefits available to members provide opportunities to target your advertising through newcomer information packets, a welcome center in the downtown area as well as various other co-op advertising opportunities throughout the year.

The Coweta Chamber of Commerce sponsors community events designed to provide more customers for our business, promote our area, & offer fun activities for Coweta residents & visitors.
